Pastor's Musings

THANKS FOR WHAT YOU DO!!!

Throughout the forty days of the season of Lent, over 144 cards/letters were delivered to the ten bus drivers and two aides that serve Skipwith Elementary School! Every school day, bus drivers and aides provide safe passage to and from school (and school events) for the children of our community and we wanted to recognize them for their caring and consistent work. Each one received a gift bag which included a hand-made prayer square (with a note to say that we are praying for them by name), a pewter cross key chain, a gift card to Cracker Barrel, a "Skipwith UMC insulated cup, a pack of "Extra" chewing gum, and the personalized cards/letters!

To each member of our the Skipwith church family who participated, thank you for making it a priority to engage in the spiritual discipline of expressing "encouragement and appreciation." We have been blessed to be a blessing to others. May each bus driver and aide experience God's loving presence through us.

~PASTOR TODD
